Quality, safety, compliance and clear client communication

Jalsa Alwadi Technical Services LLC is committed to providing reliable civil construction subcontracting services while maintaining professional standards in quality, safety, employee welfare, and business integrity.

Our company policy is based on the following principles:

Quality: Execute all works according to approved specifications and client requirements.

Safety: Protect employees, clients, subcontractors, and the public from workplace hazards.

Compliance: Follow applicable UAE laws, labour regulations, and project requirements.

Professionalism: Maintain discipline, accountability, transparency, and ethical business practices.

Employee Welfare: Promote fair treatment, timely salary payments, and a respectful working environment.

Customer Satisfaction: Maintain clear communication and respond promptly to client requirements.

Continuous Improvement: Regularly review our work processes and improve operational performance.

Our objectives

- Deliver construction works in accordance with approved drawings, specifications, and project schedules.
- Maintain high standards of workmanship and quality control.
- Provide skilled, trained, and reliable manpower for construction projects.
- Ensure safe working conditions and compliance with applicable UAE regulations.

Safety in every construction activity.

Protecting workers, workplaces and the environment, safety, and environmental protection essential to every construction activity. We are committed to preventing workplace accidents, occupational injuries, and environmental damage.

Our HSE commitments

Maintain safe working conditions and comply with applicable safety regulations.

Provide appropriate personal protective equipment (PPE), including helmets, safety shoes, reflective vests, gloves, and fall-protection equipment as required.

Conduct site inductions, toolbox talks, and task-specific safety briefings.

Identify hazards and implement suitable risk-control measures before work begins.

Ensure scaffolding, access equipment, and tools are inspected and used safely by competent personnel.

Maintain safe working practices for work at height, lifting, formwork, steel fixing, and concrete operations.

Report and investigate accidents, incidents, and near misses.

Maintain good housekeeping and proper waste disposal.

Promote environmental awareness and responsible use of resources.

Ensure workers understand their responsibility to stop and report unsafe work.

Well-being builds a stronger workforce.

Accommodation, hygiene, respect and support.

Our workers' camp is located in Sajaa, Sharjah, providing a comfortable and well-maintained living environment for our workforce.

To promote employee welfare, personal hygiene, and a healthy living atmosphere, we provide workers with free monthly essential toiletries, bathing supplies, washing powder, and other necessary personal care items.

We are committed to maintaining a clean, hygienic, and friendly accommodation environment where every worker feels respected, comfortable, and motivated. Our goal is to enhance employee satisfaction, encourage teamwork, and ensure the well-being of all our employees.

Employee satisfaction & welfare

- Providing fair and timely salary payments in accordance with applicable requirements.
- Maintaining safe and hygienic accommodation and transportation arrangements where provided by the company.
- Ensuring access to drinking water, rest breaks, and welfare facilities.
- Treating all employees with dignity, fairness, and respect.
- Providing opportunities for skill development and career advancement.
- Maintaining clear communication between management, supervisors, and workers.
- Providing a fair process for employees to raise grievances and workplace concerns.
- Recognizing good performance, teamwork, and dedication.

One team. One family.

Mutual respect, inclusion and collaboration.

At JALSA ALWADI TECHNICAL SERVICES LLC, we believe that our success is built on strong teamwork, mutual respect, and a shared commitment to excellence.

We treat every employee as a valued member of our company family, regardless of their position or background. By fostering a friendly, supportive, and inclusive work environment, we encourage collaboration, trust, and unity.

Together, we work as one team, grow as one family, and achieve success together.
